The school year started a day late for us at the High School. Arrangement of the electrical facilities for the new building was the reason for the delay. Excited voices could be heard throughout the halls as students changed classes and exchanged comments about the new teachers. Joining the staff were Mrs. Moylan (Choir), Mrs. Mandon (Government and Econ.), and the new assistant principal, Mr. Steven Fritz. The lunch hour was lengthened to 20 minutes, and this gave students 55 minutes to eat. As the bells rang, a hoard of students could be seen dashing to their cars heading for McDonalds and Burger King. Those who were less fortunate either ate here for the hoagies, hamburgers and such, or walked the block or so to Armans or Burger Chef. It was a surprise to all when the E. G. (Lake Station) Police, as well as Mr. Fritz, issued some 40 tickets for illegal parking or parking without a sticker. There was a big hassle over this, but after a few tickets, one caught on. Another problem experienced for the first few weeks of school was the lack of classroom seats. The unfinished portables created many class schedule disturbances. Many teachers had to move from room to room each hour. It was common for students to find themselves in the wrong, overcrowded classroom. With the portables finally ready, classes settled down to the routine of it all. Then there was the problem with lockers. As usual, you could walk down the halls and find that many were open, resulting in stolen books for some. Some lockers were shared by as many as three students while some students had two lockers for their personal use. The school spirit of the students was lacking for the first few months of school. Only three pep sessions were held with the senior class winning the Spirit Trophy two of the three times. The class shared the honor with the juniors one time. Many felt that another class should have received the Trophy during the Nov. 23 pep session, which was for the first home B-ball game. Students were also disappointed over the revised attendance

procedures. If a student received three unexcused tardies or absences during a nine-week
period, the grade was dropped by three percent. And
then there were those plastic hall passes. The
attitude of many students was hardened. There was
some bitterness over the new procedures. Besides
student handbook, the administration introduced a
booklet concerning procedures for suspension and
such. Many students seemed less eager to attend
school. Perhaps the new building signaled that we

EVENTS OF THE YEAR

Many events that took place here at Edison were accepted by the student body with enthusiasm. The Navy Band performed for the school and the students really enjoyed their music. Homecoming "76" came and went like the previous years. The thrill of floats, the parade, the football game, and the big dance brought friends together. The Student Council and DECA sponsored a Christmas convocation that proved to be funny. Yet helpful, because the money and canned goods the students donated were given to needy families for Christmas. The Sweetheart proved to be very successful; the theme "A Time For Us" was appropriate for the 78 couples who attended. Construction of the new school moved along very quickly, giving next year's seniors a new school. And the last dance of the year, Prom, passed by quickly. The Seniors realized that this vas the last dance of the year, "Over The Rainbow" was the theme and 75 couples attended. The post-prom was held in Woodland Park Hall in Portage. Graduation led the Seniors on their way to their future.

Building project

What a year for all; changes to come

The new Senior High section is now in its final stages of development if not already finished. After five years of planning and three years of consideration by the Board, the school was dated May, 1976 and is expected to be completed by the start of this school year.

The 5.12 million dollar building is under contract by a variety of firms.

Along with the new structure, there is a new gymnasium, better equipped science classrooms, instructional areas for English, math, history and business, as well as, a new library and food service area. The school is designed

for a close campus arrangement.

There will be air conditioning in both school sections.

The Athletic Department will have a new football field, track, baseball field, and practice fields. Tennis courts and a handball court are also being provided. The bleachers at the field will seat some 2,500.

The new facility is being referred to as "a school within a school."

Mrs. Garber--A special dedication to a devoted Eagle fan

 Mrs. Garber shows her work on lettering a varsity jacket.
 Mrs. Garber again working on a jersey this time.

Mrs. Garber has been the maker of our school's class flags for many years. She used to make the flags for all area schools, but now it's just Edison. Her husband's business is the Garber Lettering on Clay Street. Mrs. Garber has been regularly doing this work since she was 16 years old. "I just decided to continue on after marriage," she commented.

They do anything from numbering to class flags. Depending on the size of a flag, it could take anywhere from 6 to 12 hours to make and prices could range as much as \$150. Lettering for all the area school include: Lake Station, Hobart, River Forest, West Central, Kankakee Valley, and Portage among others.

The company also does a lot of its business through local sporting goods stores.

Mrs. Garber stated, "I like doing work through the schools; if is very rewarding since all of our children are grown. We always try to do whatever we can for them."

Mr. Garber is now retired. "Now he's the Big Boss of our operation, kind of a janitor, secretary, bookkeeper, treasurer all rolled into one," said Mrs. Garber.

Prom '77 "Over the rainbow" theme enjoyed by all goers

This year the junior class chose as theme for the prom "Over the Rainbow." Color scheme for this event were pastels, blue, yellow, pink, white - representing the colors of the rainbow. Attending prom were seventy couples, with grand march being the highlight of the evening. Post - Prom was held at Woodland Park in Portage. The band performing were Stonewood Fox (Prom) and Milestone (Post - Prom).

Sweetheart Dance returns -

The Sweetheart Dance, along with the Sweetheart Queen, was a tradition brought back at Edison. Everyone was glad to see this tradition continued and there was much excitement over who would be crowned queen. Three Senior girls competed for the title and a representative from each class made up the court.

A few days before the Dance the guys selected the candidates from their classes; the day before the Dance the whole student body voted for the Queen out of the three Seniors. At the Dance Wendy Harmon was Sweetheart Queen of 1977.

Queen of 1977.

The dance's theme this year was "A Time for Us." About seventy-four couples attended and the music was provided by "B.M. Jr." The dance was a success and it was an enjoyable evening for all.

CC has good year

The season started mid-August with a new coach, Mr. Switzer. For the first meet, East Gary 20-Wirt 38. Senior veteran Tim Ratcliff finished first.

The second meet of the season was at home against Wheeler. The team won the meet with a 26-30 victory. Finishing first again was Tim Ratcliff.

In the dual meets, we finished with a 3-2 season. In the triangular and

a 3-2 season. In the triangular and quadrangular meets, the squad ended the season with 5-5.

In the East Gary Invitational, the team finished ninth out of the ten schools which participated. The squad came in fifth in the Conference and 14th out of 18 places in the Sectionals.

Placing fifth in the Conference is the best the team has ever done.

DECA excells at District, take honors at state tourney

This year the D. E. coordinator is Mrs. Maggie Diaz. This is her second year here at E.H.S. There were 63 students enrolled in the program. On February 10th they went to district contest at Valpo high school. There were schools there from all around our district. E.H.S. had 23 winners. Then on March 18, 19, and 20th the first and second place winners went to French Lick, Indiana to win two honorable mentions and Themmi Morikis was voted District | President Among all the other activities the students also managed the DECAStore. This was their main fund raising project for the entire year. They had a car in the homecoming parade and along with Student Council they had a Christmas Convo which raised money and food for the needy families. Then in April they sold Edison Frizbees for another fund raising project. Then the senior students had a luncheon at Ramada Inn on April 20th for their employers thanking them for supporting Distributive Education. DECA is really on the Go!!

- Seniors Mike Zmierski and Chuck Price wait their turn to be interviewed for a job.
- 2. In appreciation for helping DECA Club bring home 22 trophies from contest, DECA decided to buy Mrs. Diaz her very own trophy.

The school's organizations had trouble this year in keeping membership and sponsoring events to promote the club.

Some clubs were successful ip membership and such. The French Club gained membership as well as did a variety of projects throughout the school year. The Industrial Arts Club took their traditional trip to the Auto Show in Chicago. The Spanish Club took a field trip to the Windy City to visit a Spanish restaurant. Pom Pons had trouble with membership as well as getting girls to practice. The cheerleaders were going strong with those interested in promoting school spirit. The Sunshine Society had trouble with membership but did sponsor a worthwhile event for the American Cancer Society.

In all, interest in clubs and organizations seemed to set with a few students.

 The old members of the Honor Society are (L.R) Kim Faulkner, Margie Williams, Mark Rogers, Linda Spain, Wendy Harmon, Kathie Shudick, Mike Zmierski, Kelly Vanderlin, Rhonda Martin, Kelly Dillin, Barry Hodge, Robin Jackowicz, and sponsor, Mr. Ruch.

Last four years

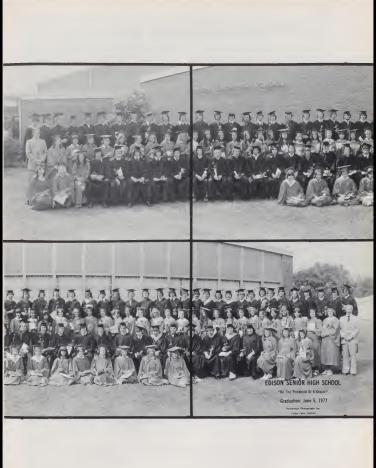

Frank Ennis and Tammy Cherry smile for the camera on that day at Spectacle Lake in Valpo. About 40 members of the class went swimming, fishing, and for fun.

The time has come that the Class of '77 has to leave E.H.S. We, as Seniors hold many memories of this school, teachers, and friends. But even more, we are looking back to when we first came to Edison. As Freshmen we were shy and insecure. Our class flag, in our class colors of green and white, was hung in the gym for the next three years; we went to our very first football game and that was fun in itself! Homecoming came and as the "new" kids, we had to learn the hard work involved in making our float and decorating our hall. Our float, "Bury the Troopers," received third place. All the Freshman girls went through the traditional GAA initiation to become a member. We finally became Sophomores. We were no longer regarded as the "little freshman." We were a little more aware of what was going on too. Some of our guys were on the Varsity Football team; we ordered our classrings and our float: "Dial V for Victory" received second place. Pep sessions were always a battle, and once we even stole the Spirit Trophy from the tough Juniors! Our junior year we finally were considered "Upperclassmen." We hung around the big Seniors. Our float, "Elton Eagle" took first place After a two year absence, Powder Puff football came back and we took second. "An Evening in Paris" was the prom theme. After earning over \$1000 by selling stationery and having a car wash, and bake sale, we gave the Seniors their best prom ever! So here we are as Seniors. We've become closer as a class because we realize that we may never see any of our friends again. Our last Homecoming came and we proved well by placing first on our hall project, "Jammin' Jukebox" and a first on our hall decorations. Our float, "Eagle Spirit Reigns" came in third place. We had to have set a record by winning the

spirit trophy five times, once sharing it with the

Juniors.

Class finds year difficult for fund raising

The junior class was better organized than ever before. The summer before our junior year, we had three car washes and a paper drive, doing well on all.

As a class we were especially proud of ourselves over the Homecoming activities. Won was first place spot in the float competition with the theme, "Come Ride with Us." Also placed second in the Powder Puff football game.

The class candy sale had ended up as a big disaster. We didn't make any money out of it at all. Also, the key chains the class sold had to be marked down from one dollar to twenty-five cents, because of the town's name change. So the key chains didn't turn out too well either.

The Prom theme for this year is "Over the Rainbow," and it was hoped the year-end event would be a success.

Sophomores have quiet year

As Sophomores we started the school year with may expectations. We hoped our float and hall project would be winners. But our float ittled "Cage the Cougars" placed second and our hall project which was titled "Eagles Are Flying High" took a third.

In November we sponsored a dance which pushed us ahead financially. After Christmas vacation we all came back with the excitement of ordering our class rings. Disappointment came when we had a snow sform and the arrival of our order was delayed two weeks. They were delivered in February and there was much enthusiasm among our classmates.

. In the spring we planned on having a pop-bottle drive and selling yo-yos. We also planned to raise money with a car wash which really could turn out to be a "Big Splash".

Returning as juniors we hope to have accomplished many money making projects to give us a good start on our prom.

First year for Frosh a success

The Freshmen class had an active year. The class sold pins for Valentine's Day and also sponsored a carwash.

Homecoming proved rather interesting but also discouraging. The class placed fourth in all events. Their float theme 'Pressing for a Victory'' was inspiring.

The class flag was ordered in the early spring. Class president Debbie Minton had this to say about the year, "This is our class, and we feel that as the years go by the class will always remember this year especially."

Advertisements

Advertising is very much a part of the Edisonian, it shows businesses and schools are working together. The yearbook needs ads; the merchants need customers. The staff would like to express our appreciation to these fine merchants and patrons for their faith and confidence in our 148-page product. Their continued support deserves our patronage in return. The design of the advertising is such to serve the student and the merchant by providing more photographs of the year. The staff felt that this is the best arrangement for those concerned.

In Closing

With our rapid changing society sometimes it is difficult to keep up with the surrounding events. The 1977 Edisonian attempts to accurately record those events which effect you. The yearbook staff had many more problems this year than ever before. We did all the paste up work which was usually done by the Jostens yearbook Company. We typed the copy and took it over to the Hobart Gazette to be set. We had a contract with Indiana School Pictures but the company seemed to take forever to get any pictures back to us. It was already our second deadline and we hadn't sent anything to the yearbook company for production. But most of the staff kept on working harder and harder each day, and others couldn't hack it and dropped out. Even though we had many arguments and difficulties we finally finished the book. I would like to thank the whole staff and Mr. Gray for all the hard work they did and hope there are no hard feelings. A special thanks goes to Nancy Hughes for doing all the extra work and lots of luck on next Year's book as the editor.
